

PRESIDENT’S MESSAGE

KEN IMATANI

In April we have a number of fun events scheduled including our Spring casting classes that are scheduled over 3 weekends from April 13 to April 27. These classes are excellent at improving your casting skills for the upcoming season ahead. Additionally, they are a great way to meet new members for future fishing trips.

We have scheduled a fun casting contest just before our monthly May 8th club meeting. It will feature precision casting to targets at 30 ft at the Moreland apartments lawn area. There will be a monetary prize for the winner, too. So, turn out early (starts at 6pm) for the casting contest and stay for the updated club news and speaker Dan Johnson of Trout Unlimited.

Mary Nishioka has stepped up to help recruit future club speakers for the remainder of the year. Shout out to Mary

for assistance in this vital club function.

Looking ahead, save the date of June 8th for our annual club banquet to be held again at the Los Gatos Creek lodge. It will be a fun time for socialization, club service awards, and auction items. Look for more details on the banquet in a future message.

I am looking forward to meeting all of you at our upcoming April 10th club meeting at the Moreland Apartments. Our April guest speaker will be Matt Heron covering fishing in Cuba.

Regards, Ken Imatani
President, San Jose Flycasters

FLYCASTERS Code of Ethics

As a member of Flycasters, I will do all in my power to conduct myself in a manner befitting the traditions of our sport of fly fishing.

1. *I will follow the fish and game laws wherever I fish.*
2. *I will support conservation practices in order to preserve our natural resources for this and future generations.*
3. *I will encourage the practice of "Catch and Release" in all but "put and take" waters.*
4. *I will encourage other fishers, whether they fish with flies or other means to abide by the same standards as expressed in this Code of Ethics, and I pledge to report any violations I observe to the appropriate authorities*
5. *I will always remember that my conduct afield is a reflection on our Club, its' members, and our sport, and I will endeavor to conduct myself accordingly.*

APRIL PROGRAM

MATT HERON

Join Truckee outfitter and travel host for his in depth introduction to fly fishing the much talked about, but often misunderstood, Cuba.

In recent years Cuba has become one of the most sought after salt water destinations on the planet.

In the last decade, American anglers have flocked there in pursuit of unpressured flats and the chance at a Grand Slam, bonefish, permit and tarpon.

However, embargos, communist politics and a long history of uneasy relationships with the US, there seems to be more questions than answers about this fly fishing 'gold mine'.

In his presentation, Matt not only discusses the fabulous fishing opportunities, but the locations, travel logistics and a quick history of all things Cuba.

Wednesday evening, April 10th

Doors open at 6:30pm

Meetings are held at the Moreland Apts meeting room

Northeast Corner of Payne and Saratoga Ave.

Zoom details will be emailed to members

SPRING CASTING CLASSES - APRIL 2024

Classes are taught over three weekends:

Saturdays and Sundays

April 13 & 14*

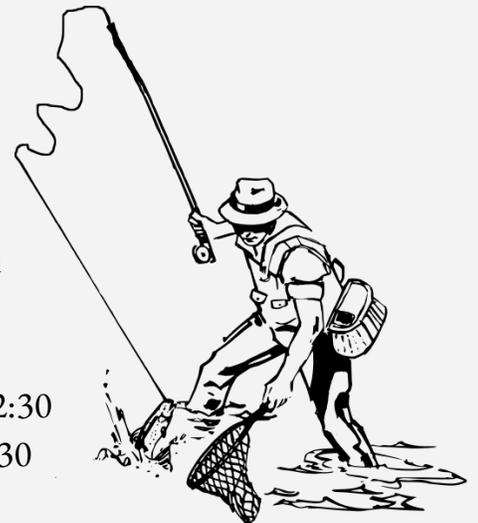

April 20 & 21

April 27 & 28

- Beginning Casting – 8am to 10am
- Shooting Head – 8am to 10am

- Intermediate Casting – 10:30am to 12:30
- Advanced Casting – 10:30am to 12:30

Each class is 12 hours of instruction – 6 days – 2 hours each day

Rods are available for beginners if needed, let us know when you sign up.

Classes are taught rain or shine – dress appropriately for the weather.

EYE PROTECTION IS A MUST – You must wear sunglasses or eyeglasses – no contact lenses.

NO GLASSES – NO CLASSES

**The first weekend – April 13 & 14 are offered to everyone free of charge – including non-members over 12 years old.*

**If you wish to continue the classes after the initial 2 days, you must join the club.
Instructors will be checking for paid membership.*

Signup on our website: Go to "About Flycasters", then "Contact Us" select "Casting" from the "Send To" menu and fill in the Email form with your information.

All classes are held at the Flycaster Casting Ponds
and Los Gatos Creek County Park.
1250 Dell Ave, Campbell

.....MORE INFORMATION FOR OUR 2024 SPRING CASTING CLASSES

Dress for rain, cold, wind or sunny day: Dress layered. Wear water resistant or repellent shoes/boots. Bring SUNSCREEN. A cap or hat with a brim. Bring bottled water, juice, coffee, tea, sodas, etc. NO alcoholic beverages please.

AGAIN – YOU MUST WEAR EYE PROTECTION – NO GLASSES = NO CLASSES

Parking: County of Santa Clara Park charges \$6.00 per car.

Information for the Beginner: If you have equipment, bring it with you. You should have a rod, reel with fly line, & leader - Either a weight forward or double taper floating line and leader attached. - Rod weight should be 5wt or 6wt and preferably 8-9 feet long. - We can provide equipment for you if yours is not appropriate for the class.

Information for the Intermediate: Bring your own equipment - rod weight should be 5wt or 6wt and preferably 8-9 feet long. Please have a clean line with a leader attached. A weight forward or double taper floating line is preferred. Please bring a line cleaner and a soft cloth to apply the cleaner.

Information for the Advanced: If you want to become one of the 10% of fly fishers who catch 90% of the fish, this is the class for you! You will learn specialty casts for every fishing situation plus casting exercises that will improve all of your skills. !!! You must be able to double haul to take the Advanced Class -- Rod of choice is a 9ft, 4, 5 or 6 weight forward floating line, but any rod will do. You will also need two (2) 9 ft. 1x leaders. Please dress your fly line before each class and bring something to straighten your leader. Class size is limited. Bring your own equipment.

Information for Shooting Head: Bring your 6, 7 or 8wt fly rod for this class. Bring out your current fly line set up and we will help you check your fly line/ fly rod balance. From this information, we can determine which shooting head will make your fly rod really perform. Being able to double haul is a plus, but not a prerequisite. Shooting head class will let you experience and learn “Old” and “New” school style of shooting head and how it applies to other fly fishing disciplines such as float tubing, surf fly fishing, river and spey (single, two hand, Scandi and Skagit). Bring waders - we will be in the water. Class size is limited. Bring your own equipment.

If you have any questions, Please contact Luke Sing (text) 408-464-5793 or

LION'S FISH-A-THON

APRIL 27

The 2024 Lions FISH-A-THON will be held Saturday April 27. Many members of the Flycasters have volunteered in prior years and your presence and assistance is always appreciated.

This is 'the official invite', a message to Lions Club, to friends of the Lions, and to youth and adults interested in community service to people less fortunate. The invite to the 2024 Fish-A-Thon solicits your help and assistance with all the setup, operation, and clean-up that is needed to keep this as the marvelous event it has been (the event started ~1963).

Help is especially needed with the setup on Friday, so please factor this into your plans in addition to the work you do on the actual event day. So please put both dates in your calendar:

We can especially use Volunteers on Friday April 26, 2024 (1- 6:00 PM) for setup/food preparation, and of course, on the actual Fish-A-Thon date Saturday April 27, 2024.

On Saturday help is needed with Fishing Helpers, Equipment Management, Fish Cleaning, Fish Icing, Breakfast and lunch Prep, Serving, Cleanup, Breakdown, and Storage.

If you come to help between 1:00 pm and 3:30 pm, on Friday, do not use the Main Entrance, you must come in the "back-way" passed the House with the Rec Room, and our new Storage Barns (replaced the Shipping Vans) down to the fishing pond.

John L. Hufferd

Cupertino Host Lions Club co-chairman for 2024 Fish-A-Thon

Flycasters contact Jim Isaacson (jimisaacson2016@outlook.com or 408-464-3901) for mini maps for directions to Stevens Creek Quarry (SCQ) and for the "back-way" into SCQ, along with the Flyer for Volunteers.

For directions go to the website and open the Community Directory – Choose the Club Documents menu and open the Events folder for "Fish-A- Thon"
